

Massachusetts Child Health Quality Coalition Meeting
Monday, October 21, 2013, 2:00-4:45 PM
Hilton Garden Inn, 35 Major Taylor Boulevard, Worcester
Perennial B Room

Agenda

Objectives:

- Identify actions to support creating and sustaining 'medical neighborhoods' in which practices and community resources work together to support patients and families.
- Learn about how researchers define and identify children with disabilities and how their quality of care is measured.
- Support increased collaboration and idea sharing of Coalition members through in-person networking.
